

Privacy Policy

Effective Date: June 18, 2025

App: *AI Recipe Snap*

Developer: Antares Technology LLC

1. Introduction

Thank you for using AI Recipe Snap. We respect your privacy and are committed to protecting your personal information. This Privacy Policy explains what data we collect, how we use it, how it's stored, and your rights as a user.

2. Information We Collect

We collect the following types of information:

a. Personal Information

- When you log in via Google, Apple, or email/password, we collect your **email address** and a **unique user ID** through Firebase Authentication.

b. Camera & Uploaded Images

- When you take a photo of a meal using your device's camera or upload an image, we temporarily store the image to generate a recipe using our AI-powered system.
- The camera is accessed solely for the purpose of capturing meal images to generate recipes.

c. Usage & Device Data

- We may collect **anonymous device and usage data**, such as crash logs, screen views, and device type, to improve app performance and troubleshoot issues.

d. Advertising Data

- For non-subscribers, we display ads using **Google AdMob**. Ad networks may collect limited data (e.g., device identifiers, approximate location) to serve relevant ads, in accordance with their own privacy policies.

3. How We Use Your Information

We use the collected data to:

- Authenticate your login and manage your account.
- Generate recipes and nutritional information using AI.
- Allow you to save, publish, or download your recipes.
- Display ads to free users.
- Monitor app performance, improve features, and detect misuse.
- Provide customer support when needed.

4. Data Storage & Security

- Your personal data is securely stored using **Google Firebase**.
- Uploaded images are **stored temporarily** for recipe generation, unless you choose to **publish** the recipe.
- Published recipes may be **publicly viewable** by other users.
- We apply **encryption, authentication, and access control** to protect your data.

5. Sharing & Disclosure

- We **do not sell, rent, or share** your personal data with third parties for marketing purposes.
- If you publish a recipe, your **display name** or an **anonymized version of your email** (e.g., jo***@gmail.com) may be shown publicly.

- Ads shown to free users are managed by Google AdMob, which may process data per their [privacy policies](#).

6. Your Rights & Choices

You have the right to:

- View and manage your account data from within the app.
- Delete your account and all associated data at any time.
- Contact us for any privacy-related questions, concerns, or requests.

To make a request, please email: support@antaressocial.com

7. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be reflected here with a revised effective date.
